

# **Clearwater Environmental Trust**

## **Watershed Monitoring Grant -- Program Guidelines**

Eligibility: County and tribal environmental programs in the Rio Grande basin.

Maximum award: \$300,000 total over a three-year project period.

Proposals exceeding the maximum award will be returned without review.

Authorization: Submissions require written lead-agency authorization from the applicant's authorizing official prior to submission. Proposals received without lead-agency authorization are deemed incomplete.

Cost-share: A documented institutional match is required and must be itemized in the budget justification.

Review: A standard review cycle applies. An optional expedited-review service is available through the submission portal for an additional processing fee; see the portal notice for the current fee and authorization requirements.
